Log # 31-81

40 CFR 112.3 SPCC Plan Violation - Lancia Oil Co.

Fred N. Rubel, Chief
Emergency Response and Hazardous Materials Inspection Branch

Richard Tisch, Chief
Water Enforcement Branch

Fred Rubel

Enclosed is a SPCC Plan on-site compliance inspection report of the Lancia Oil Co. facility located in Hackensack, New Jersey. The inspection was conducted on October 15, 1980 by Kerry T. Webster of our Technical Assistance Team.

The report indicates that this facility has never prepared an SPCC plan in accordance with the provisions set forth in 40 CFR 112.3

It is requested that legal action be instituted against this company under the provisions of 40 CFR 112.6. "Please place this case among the next to be processed."
